- ◆ Location settings - Snap Map
- ◆ Online chat - games
- ◆ Malicious adverts

Cyber Bullying

- ◆E messages hurt feelings
- ◆E messages are real
- ◆If you shouldn't say it offline, don't say it online
- ◆People have gone to prison because of online posts

How parents can ensure internet safety for children

- Be aware of which sites your child(ren) are on
- Be aware of how many accounts your child(ren) has/have
- Make sure they are downloading apps/games which are suitable for them

Stay Safe

- ◆ Parents have the ultimate responsibility to keep their children safe.
- ◆ Parents need to know what their children are accessing online.
- ◆ Children need to be responsible online and report any concerns to a parent or responsible adult.
- ◆ What you say and access online now can affect you when you are older.
