EYFS Curriculum

Numeracy

Nursery— Whilst settling in Nursery your child will be sorting by colour and type, singing lots of number songs, beginning to recite number names in order, representing numbers using fingers and selecting a small number of objects from a group.

Reception— During the first half term our focus will be securing a sense of number. The children will be beginning to recite to 20 and beyond, matching quantity to numeral, representing numbers using marks on paper, touch count to 10, use positional language with some accuracy and begin to find the total of 2 single digit numerals.

Literacy

Nursery— Our main texts will be chosen from a range of nursery rhymes and Traditional Tales. Through these texts the children will be joining in with stories using repeated refrains re-telling a story and exploring mark making with a range of pencil play activities. In nursery we will read a range of texts every week.

Reception— Our main texts will be chosen from a wide range of nursery rhymes and Traditional tales. The children will be joining in with repeated refrains and anticipating key events. Also the children will begin to hear and say initial sounds in words as well as begin to form some familiar letters.

Topic

This term our topics are Nursery Rhymes and Traditional Tales. The children will enjoy a range of artistic, creative and scientific activities this term. We are hoping to explore our local area and organise a visit to the pantomime in Oldham, more details to follow.

PE

The reception and afternoon nursery children will continue to do PE on a Monday afternoon. Morning nursery will do PE on Wednesday. PE kit consists of black shorts or jogging pants and a plain white T-shirt along with plain black plimsolls. Please could you help us by writing your child's name in all items of uniform.
