EYFS Curriculum

Numeracy

Nursery—the children will be learning to recite numbers in the correct number order which will support them in touch counting objects in the correct number order. The children will also be learning the 'cardinal principle' in Nursery, which is the number that they last counted gives us the total number of objects altogether. The children will also be comparing quantities using language 'more than' and 'fewer' and will be looking at positional language.

Reception— The children will be consolidating counting reliably with numbers to 10. They will be consolidating addition and subtraction of two single digit numbers using the 'part part whole' method They will be consolidating subitising and the composition of numbers to 10. They will be talking about position and distance and comparing quantities and objects to solve problems. They will also be consolidating the language of capacity, length and measure.

Literacy

Nursery—Children will be learning how to follow a story and remember the main characters through Talk for writing. The Children in Nursery will also be finding their name card to help recognise their name, making marks to represent their name using large arm movements and will be starting to form the letters in their name.

Reception— The children will be applying their phonic knowledge, to their writing—correct letter formation will be consolidated. The children will be consolidating oral blending and learning to segment and blend for reading and writing

Topic

In the summer term the children will be exploring two topics—the first one is 'Animals' and the second is 'Bugs Life'

PE

The reception children will continue to do PE on a Monday afternoon.
