Care Week

A huge thank you to all the families who were able to join us for our sessions this week. It has been wonderful to welcome so many family members into school and see you getting involved in the children's learning.

We strongly believe that the skills the children have developed this week, particularly around first aid, are vital life skills that should be part of every child's education. It has been even more special to share these experiences with families, giving you the opportunity to get involved, learn together and hopefully pick up some new skills along the way!

We have also been incredibly fortunate to welcome visitors from a range of local services, including the Environmental Team, School Nursing, Adult Care and Oral Health. Their time, expertise and enthusiasm, alongside the fantastic support of our Outdoor Education Team, have helped make this week such a positive and memorable experience for our children.

And, of course, we mustn't forget the very special visit from Environmental Eddie and Rochelle!

Please do complete our feedback form if you have not done so, which was sent out earlier today.

Half Term

Today is the final day of half term. We return to school on Monday 2nd November. Please check the website for all our term dates.

Hamer Term Dates
